

Dear Tim,

Thank you for your email re the problem of weekend parking in the vicinity of the church.

As a church congregation, we are, of course, acutely aware of the difficulties at all times as this adversely affects our availability to arrange concerts, meetings and other activities because attendance is heavily reliant on the availability of parking. Indeed as far as our regular services are concerned, ie at 9.30 on Sundays, there are seldom any spaces available in the car park between 8.30 AND 9.30 so we have to rely on roadside parking and a considerable amount of car sharing already exists among members of the congregation and we will look to continue this in future. Of course the fact that a number of the congregation travel from Crickhowell, Llangynidr and Gilwern has to be recognised.

I am pleased to record that the management at The Old Rectory have recently agreed to members of the congregation parking there for the duration of our Services.

We hope this is of some help.

Kindest regards,

Geoffrey
